REPORT OF THE MEETING OF THE MEDICAL SUB-COMMITTEE

HELD ON 6 MAY 1950, PARIS, FRANCE

Corrigendum

Page 10, paragraph 39 - For the last two sentences of this paragraph, substitute

the following:

"Under the circumstances, the Committee agrees to consider ways and means of paying a salary to Miss Senechal for several more months.

On the other hand, it expressed the hope that in the interim pressure would be brought to bear simultaneously on both the French and the Greek Governments with a view to getting them to make the necessary financial effort so that the Pasteur Institute in Athens, which now has quite adequate equipment, will be in a position to function regularly."
