ICEF 3986/HOLTON/61 -Children get practical experience at farming and agriculture at Delta Barrages near Cairo.

The United Nations Children's Fund (UNICEF) is assisting the Ministry of Local Administration of the United Arab Republic (Egypt), to strengthen its maternal and child health services. UNICEF has given equipment to 250 Rural Combined Units run by the Ministry. In addition to MCH services, the Units provide agricultural extension, education for both children and adults, training in handicrafts, work in sanitation and public health, and recreation for the villagers.
