UNITED NATIONS INTERNATIONAL CHILDREN'S EMERGENCY FUND
Programme Committee

The following communication, dated 31 May 1950, has been received by the Chairman of the Programme Committee from the Chairman of the Medical Sub-Committee.

31 May 1950

Mr. D. B. Sinclair
Chairman,
Programme Committee
UNICEF
New York, N. Y.

Dear Mrs. Sinclair:

On behalf of the Medical Sub-Committee, I wish to thank you for the invitation extended to the Committee to participate in the discussions of the Programme Committee on the terms of reference of the Medical Sub-Committee. At its meeting on 14 March 1950 the Medical Sub-Committee recommended a revision of its terms of reference, of which I understand you have been informed, and which I believe should meet the views of all concerned. I understand that some question has been raised informally as to the meaning of the phrase relating to questions which might be referred to the Medical Sub-Committee by "other organs of UNICEF". The sole intention of this phrase was to state the fact that the Programme Committee or Executive Board might, on some matter not now foreseen, wish the advice of the Medical Sub-Committee. If such an event does not occur, this clause will be inoperative. If such a request for advice by the Programme Committee or Executive Board appears desirable at any time, the terms of reference of the Medical Sub-Committee will then not again become an issue.

I hope that the foregoing explanation will clarify the meaning of the Sub-Committee's recommendation and that the Programme Committee will be in a position to act without the necessity and expense of attendance, at the meeting of the Programme Committee on June 5.
