Trachoma Control

Corrigendum

Paragraph 4 Delete paragraph and substitute the following:

"4. On receipt of a formal request from the Government, WHO would provide an ophthalmologist consultant to advise the Government for a period of two months, three fellowships in 1955 and two in 1956 and certain literature, teaching materials and film."

Paragraph 6 Penultimate sentence: Delete "are almost 77,000" and substitute "were in 1954 25,497", so that the sentence reads as follows:

"In Serbia, Croatia and Slovenia, where control measures have been actively applied since 1948 there were in 1954 25,497 known cases of active trachoma."

Paragraph 19 Change paragraph to read as follows:

"WHO Approval and Participation

19. This project has been worked out in close consultation with WHO and has WHO's technical approval. On receipt of a formal request from the Government WHO would provide the following under approved TA funds, Priority I:

- a) Personnel - One ophthalmologist consultant to serve as adviser to the Government for a period of 2 months in 1955 and 1956.
- b) Fellowships - Three fellowships totalling 5 months in 1955 and two fellowships totalling 4 months in 1956.
- c) Supplies - Certain literature, teaching material and 4,000 ft. of negative film plus 1,600 ft. of positive film."
